Bachelorette Men

In ABC's "Bachelorette" ("Episode 705"), eight men met Ashley at an outdoor gym. Whether they were athletic or not, they weren't prepared for learning the traditional Thai art form of Muay Thai boxing. But the real drama began when they learned they would fight each other in an open-air square in the middle of Chiang Mai, in front of hundreds of rooting spectators! (And Ashley had a tough decision to make about who would be getting the rose!) "The Bachelorette" on ABC. Photo:ABC/Dave Hagerman

Farouk & Miss USA

Farouk Shami walked the red carpet with 2010 beauty queens Miss Teen Kamie Crawford, Miss USA Rima Fakhri and Miss Universe Ximena Navarrette. He was interviewed by Robin Leach, Alhurra Television and other news outlets before watching the 60th 2011 Miss USA Pageant from the front row. "All the contestants looked beautiful," said Shami. "Next, Farouk Systems will be at the Miss Universe pageant in Sao Paulo, Brazil, in September."
